THE BENEVOLENT ASSOCIATION OF POTTSVILLE.

Organized September 12th, 1867. *Objects*, to mitigate and remove actual distress, to prevent pauperism and its concomitant evils, and to provide employment and instruction for the indigent and needy.

Plan. The borough is divided into ten districts, each district being in charge of a supervisor, who is assisted by one male and two female visitors.

Policy. Relief is granted without regard to creed, color, or nationality.

Finances. It is conducted strictly on *the voluntary contribution plan*, not a dollar having ever been solicited by begging committees, and during the past years it has been abundantly and generously supported.

Officers. George W. Kennedy, President; Rev. B. F. Patterson, Hiram Parker, jr., Vice Presidents; Abraham Kuhn, Secretary; General J. K. Sigfried, Corresponding Secretary; A. W. Sheaffer, Treasurer; Charles F. Derr, Marx Rubinsky, W. F. Scheerer, Rev. A. L. Loder, H. J. Herbein, Managers. These gentlemen constitute the Executive Board, and all of them, except the president, are supervisors of districts.

The Benevolent Association's Home for Children. This is a branch of the Benevolent Association, and was opened May 24th, 1873.

Object. To afford a home, food, schooling and clothing for destitute, neglected children, and, at a suitable age, to place them with respectable persons and families, to learn some useful trade or occupation, and thus aid the Benevolent Association in its work, as one of its greatest difficulties was that many children needed help whose parents were poor and unworthy, and that some children, without parents and friends, were growing up neglected, wicked, ignorant and depraved.

Policy and Finances, managed on the same plan as the Benevolent Association.
